.Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit .

ACHIEVEMENTS AND PERFORMANCE

Refreshing Minds was established by parents as a platform for girls to have wholesome outlets. Since then we have become renowned for providing children with the opportunity to advance talents and develop positive wellbeing and confidence. This year over 600 beneficiaries benefited from the programme and newly discovered talents were revealed.

Our aim is for every girl to have the chance to shine, regardless of personal or family circumstances or achievement in the classroom. We have seen outstanding success and feedback has shown children have greatly improved in self-esteem and confidence, and this has helped them flourish in the classroom and socially as well.

Refreshing Minds offers a great variety of programs spread across the entirety of the year. Our usual activities include

- Annual public performance of children's talent
- Expressive Arts classes
- Winter/Summer Holiday play-schemes
- Outings and Weekends to encourage teamwork and social cohesion
- Individual Therapy and Support groups to support the School Curriculum
- Weekly Weekend programmes
- After School Club

The childcare after-school club is a new development, providing academic support to 600 children daily. Once homework is on schedule, incentives are provided, such as light entertainment, all within a safe and supervised environment.

The bulk of the budget for this fiscal year is funded by childcare contributions made by parents, which is reflected in the significant increase in turnover between 2019 and 2020.

Working within the communities of Hackney and Haringey which alone have 20,000 young children under the age of 16, we are aware that the numbers we have helped to date are by far too small. Refreshing Minds seeks to increase the quantity of beneficiaries in the coming year to 800 girls, enabling a greater amount of children to tap into satisfaction and greater future prospects. This would mean continuing to expand our programs, offering more after-school activities and training to additional staff to truly support our girls and promote emotional well-being and individual support.

The trustees have agreed that the expenditure is in line with the aims and objectives of the establishment.

RESPONSE TO COVID19

The period of school lockdowns were intensely challenging. Cognizant of the technological deprivation amongst most of our users Refreshing Minds swung into action immediately. The following were undertaken:

Telebuddy Program

In March 2020, we initiated the Covid Tele-buddy phone line which enabled us to continue extra-curricular support, teleconferences, and entertaining content, manned and updated by devoted volunteers and group leads. Reaching 750 children and young people daily, this was a lifesaver for overwhelmed families stuck in cramped houses.

‘Covid Kraft Kitz’

Between March and August 2020, over 1800 ‘Covid Kraft Kitz’ were dispatched, sending 1800 remote strokes of love and care and reminding 600 bewildered kids that they hadn’t been forgotten.

Covid Support Groups

As soon as schools started, we anticipated the anxiety and readjustment kids would be going through, and introduced our Covid support groups. These provided an opportunity for kids to talk about their fears, and learn stress management skills.

Therapy Provision

Refreshing Minds provided art, play and talking therapies for 30 young members experiencing adverse life challenges, to promote their emotional wellbeing.

‘Bright From the Start’ Playscheme

Summer 2020 saw the gradual release of some restrictions. In this response to Covid, the fairground was literally brought to the playground, 480 children enjoyed attractions such as petting zoo, horse riding, parrot show, bubble rides, inflatable boats, balloon modelling, arts’n’crafts and theme park rides, consolidating two weeks of magical activity. 120 teens were also treated to comprehensive programs full of fun, socialising and action geared to their age and skills.

‘Speak-Up’ Buddy Programme

September 2020 saw schools and social groups reopen and we once again launched our weekend extra-curricular programmes, revamped to include social distancing guidelines and cleaning protocols. Over 550 participants were thrilled to meet their friends once again.

‘Make Waves’ Volunteer Support.

Our *Make Waves* beachside excursion, held at Westcliff-on-sea, transported our volunteers to a world of energy and verve, supporting their charges to grow and succeed. An unforgettable program included individually wrapped lunch and gift presentations. Investing in our volunteers is a foremost feature of our programs, conveying appreciation and care to those who give of their time and energy to support our members.

Winter Holidays Activities

Our winter holidays fun-day provided separate programs to accommodate members in enriching activities. Coming just prior to the second lockdown, this boosted the social networking and mental wellbeing of members and no-doubt provided an injection of support towards the difficult months ahead. The programme included an innovative ‘Napkin sculpting’ course, with individually wrapped kits to prevent transmission, jumping castles and exercise activities.

In The Limelight Performance

Due to Covid restrictions, our 'In the Limelight' Pantomime Performance was postponed. (Our Bounce Back Performance program made up for this in July, following the release of restrictions.)

We are grateful to all our funders who have enabled the success of these programs for disadvantaged youngsters including: LCR (London Community Response), National Lottery Awards for All, Casey Trust, Anthony Bourne, HDH Wills, Tesco Bags of Help, Charles S French Charitable Trust, Percy Bilton, the Donald Forrester Trust, among others.

FINANCIAL REVIEW

The trustees feel that the activity and surplus reflects the increased activity and expansion of our work. The impact for future years' expenditure is self-evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

FUTURE PLANS

As the ongoing crisis unfolds, our Trustees continue to focus our efforts on adapting our programs to meet evolving restrictions and meeting our beneficiaries changing needs. Plans are in place to consult with beneficiaries to ensure that they can be best supported throughout this crisis.

As the effects of volatile GCSE results, social deprivation, and uncertainty become more apparent, we are exploring ways to provide subsidised therapeutic support, support groups, and recreational getaways to combat the anxiety, tension and adverse mental health experienced by children.

A second volunteer getaway is planned for the summer and we are continually monitoring restrictions to assess what format this will take.

(At the time of writing, we have successfully completed the evaluation of a ground-breaking summer camp, 'The Great BriTeen's Summer!' Supported by a funding consortium of the Hackney Learning Trust, together with Food Lifeline this camp provided nutritious healthy meals, extreme sport and social stimulation to 138 children and young people.)

Reserves policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results. The Trustees are satisfied that the balance of the Fund is an acceptable level of reserves given the nature of revenue receipts against the expenses payable.

STATEMENT OF TRUSTEES RESPONSIBILITIES

YEAR ENDED 30 MARCH 2021

The charity's trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINERS REPORT
YEAR ENDED 30 MARCH 2021

I report on the accounts of the charity for the year ended 30 March 2021 set out on pages 7 to 10.

Respective Responsibilities of Trustees and Independent Examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Act;
- to follow the procedures laid down in the general directions given by the Charity Commission (under Section 145(5)(b) of the Charities Act); and
- state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- a) which gives me reasonable cause to believe that, in any material respect, the requirements:
- to keep accounting records in accordance with Section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met;
- or
- b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
